REMARKS

Instructions to Umpires

An Umpire should stand where he can clearly see the act upon which his decision may be required.

An Umpire wishing to stand on the off side of the wicket instead of the leg side should ask the permission of the Captain of the fielding side.

TIME.—Umpires should not call "Time" before the Over is finished. (See Law 45.)

The Umpires should agree between themselves, before play, what watch or clock they shall follow in deciding intervals and close of play.

Save as provided by the Laws the Umpires have no right to interfere in the progress of the game except on appeal.

As to finishing an over see Notes to Law 23.

At the end of an over the Umpire at the bowler's wicket should distinctly call "over" before leaving the wicket.

ROLLING WICKET.—The responsibility of supervising the rolling of the pitch before play, will, in the first place, rest with the Umpires.

Umpires are not obliged to stand near the wicket in order to supervise the rolling.

The ground may be rolled for seven minutes immediately before a match begins, but the roller must be off the ground so as to allow play to commence at the stipulated time.

THE SCORERS.—It is not the scorer's business to dictate to the Umpire. The Umpire should direct the scorer what to record.

FITNESS OF GROUND FOR PLAY.—At the commencement of a match, the Umpires may be appealed to by either side as to the fitness of the ground for play.

Should they not agree, play will not commence until they are agreed.

Umpires are not justified in deciding the ground unfit for play merely because the grass is wet and the ball would, in consequence, be slippery.

In order to facilitate play at the earliest possible moment in wet weather the Umpires shall see that the foot holes made by the bowlers and batsmen are cleaned out, dried and filled up with sawdust at any time during the match, although the game is not actually in progress.

In case of interruption from rain, as soon as the rain has ceased, the Umpires shall, immediately, without further instruction, inspect the wicket, unaccompanied by any of the players, and decide upon its fitness. Should it prove unfit, they shall continue to inspect at intervals, until they decide that it is fit for play, when they shall call upon the players to resume the game.

The ground is unfit for play when water stands on the surface, or when it is so wet, muddy, or slippery as to deprive the bowlers of a reasonable foothold, or the fieldsmen of the power of free movement.

The Umpires are not to be biased by the opinions of either side, still less are they to allow themselves to be influenced by the impatience of the spectators for a resumption of the game, and are not to be induced, by the public interest in a particular match, to declare the ground fit for play, unless they would consider the ground fit under any circumstances.

THE FITNESS OF LIGHT FOR PLAY.—The Umpires may decide, on appeal from the Captains, should the latter disagree, that there is not sufficient light for play. Should the light improve before the time for drawing stumps, they shall without waiting for instructions, call upon the players to resume the game.

In the event of the Captains agreeing as to the condition of the ground or light, the Umpires will, so far, be relieved of their responsibility.

DECISION.—An Umpire is only justified in appealing to the other Umpire when he is unable to decide, owing to his having been prevented from seeing the occurrence on which the appeal is based. He is not to appeal to the other Umpire in cases on which he could give a decision, merely because he is unwilling to give that decision. If he be in any doubt, the principle laid down in Law 46, "That the existing state of things shall continue," shall be followed, and in consequence, the decision should be in favour of the batsman.

An Umpire may alter his decision if in the hurry of the moment or by a slip of the tongue he has given a wrong one; provided that such alteration is made promptly.

On giving a decision the Umpire should make sure that the batsman understands what the decision is.

NO BALL.—The special attention of Umpires is called to Law 26, which directs them to call "No Ball," unless absolutely satisfied of the fairness of the delivery.

FAIR AND UNFAIR PLAY

(i) The umpires are entitled to intervene without appeal in the case of unfair play, but should not otherwise interfere with the progress of the game, except as required to do so by the Laws.

(ii) In the event of a player failing to comply with the instructions of an Umpire or criticising his decisions, the Umpires should in the first place request the captains to take action, and if this proves ineffective, report the incident forthwith to the executives of the teams taking part in the match.

(iii) It is illegal for a player to lift the seam of the ball in order to obtain a better hold. In such a case the Umpire will if necessary change the ball for one which has had similar wear, and will warn the captain that the practice is unfair. The use of resin, wax, etc., by bowlers is also unfair, but a bowler may dry the ball when wet on a towel or with sawdust.

(iv) An Umpire is justified in intervening under this Law should any player of the fielding side incommode the striker by any noise or motion while he is receiving a ball.

(v) It is the duty of Umpires to intervene and prevent players from causing damage to the pitch which may assist the bowlers.

(vi) The persistent bowling of fast short-pitched balls is unfair if, in the opinion of the Umpire at the bowler's end, it constitutes a systematic attempt at intimidation. In such event he must adopt the following procedure:

(*a*) When he decides that such bowling is becoming persistent he forthwith "cautions" the bowler.

(*b*) If this "caution" is ineffective, he informs the captain of the fielding side and the other Umpire of what has occurred.

(*c*) Should the above prove ineffective, the umpire at the bowler's end must:

(i) At the first repetition call "Dead Ball," when the over is regarded as completed.

(ii) Direct the captain of the fielding side to take the bowler off forthwith. The captain shall take the bowler off as directed.

(iii) Report the occurrence to the captain of the batting side as soon as an interval of play takes place.

A bowler who has been "taken off" as above may not bowl again during the same innings.

(vii) Any attempt by the batsmen to *steal a run* during the bowler's run up is unfair. Unless the bowler throws the ball at either wicket (*see* Laws 26, Note 2, and 27, Note 2), the Umpire should call "Dead Ball" as soon as the batsmen cross in any such attempt to run, after which they return to their original wickets.

(viii) No player shall leave the field for the purpose of having a rub down or shower while play is actually in progress.

REPORTING.—It is the duty of Umpires appointed by the Captains of the first and second class Counties to report to the Secretary M.C.C. any case, on or off the field, of a player criticising or showing resentment to the decision of an Umpire. The Umpires, are, however, required to give notice to the Captains during the match that it is their intention to make a report.

THE BAT.—Umpires should see that there is no infringement of Law 6. When in doubt as to the width of a bat they should use the gauge.

DUTIES.—All Umpires shall report themselves to the manager of the ground one hour before the commencement of each day's play, and they shall make a point of seeing that the wickets, bats and balls are in accordance with the Laws of the game, and they must remember that the conduct of the game and the state of the ground is within their jurisdiction.

LUNCHEON.—The interval for luncheon shall be 45 minutes. In the event of the last wicket falling within two minutes of the time arranged for the luncheon the game shall be resumed at the usual hour, no allowance being made for the ten minutes between the innings.

NEW BALL.—After 200 runs have been made with a ball in the County Competition the fielding side can demand a new one.

Umpires should inform the batsman when a new ball is about to be used.

All cricket balls used in County cricket matches should be submitted to and approved by the Captains of the competing sides before the matches begin.
