3) Cricket Matters

i. Availability

Availability is managed on the OCC website www.optimists.cc.

Members must maintain their availability on the website regularly. Although sometimes it might be unavoidable to drop out when selected, if something urgent arises, it is not acceptable to decline selection due to not maintaining your availability on the website regularly.

In addition, fixtures are posted, results are reported and the news is published on www.optimists.cc and on the 'Optimists Cricket Club' group on Facebook.

ii. Sports Medical

Please note that, in order to play for OCC, you are required to have been deemed fit through a sports medical. If you have already undertaken the sports medical, you can verify that yours is still valid (and print out a copy) by checking it on MyGuichet (follow steps below):

- MyGuichet.lu
- Log In Securely
- Click 'My Data' section
- Select 'Aptitudes sportives' under the 'Leisure' sub-section
- Click 'Conclusions' under your name
- Find the most recent pdf and check the re-exam year

[Please note that the exact date of that year is the day and month you were last tested. So if you re-exam date is 2026 and the date of your last exam was the 22nd of March 2022 then you are no longer apt and need to re-test.]

If you haven't undertaken a sports medical in Luxembourg previously, or it needs to be renewed to cover the entire 2026 season then please arrange

one as soon as possible (see below website and see 'How to proceed' for details).

Reminder – When undertaking a sports medical be sure to mention that you need clearance for 'Cricket' and that the results should be sent to 'Optimists Cricket Club'.

Please send your valid certificate to occ.clubsec@gmail.com as soon as possible. If you do not, you will not be eligible to play until one is provided.

Please note that if you are 50 and over, you do not need to obtain sports medical clearance but you are required to obtain clearance from your general practitioner/doctor on an annual basis so please do so prior to the start of the season and send the signed certificate (saying you are cleared to play cricket) to occ.clubsec@gmail.com.

iii. **Club Rules / Code of Conduct and other Policies**

Members are required to abide by the various policies and guidelines that the club has in place such as the Club Rules / Code of Conduct. Please take the time to read these documents as they are an important aspect of Club Life. The latest versions of such documents can be found in the 'Club Policy and Other Documents' section on the website (please note that you need to be logged on in order to be able to see this section).

iv. **Volunteering**

Members are always expected to help out at ground set-up and clear-up days as well as on match days both before and afterwards and respect the facilities we all enjoy. However, members are also expected to seek to volunteer and help the club develop in other ways both on and off the field.
