WELCOME TO ANDOVER YOUTH CRICKET 2012

Firstly I would like to introduce myself. I am Noel Pope, the new Chairman of Andover Youth Cricket. My son Sam is currently in the U13 age group and has played cricket here at Andover for many years. I look forward to the new season and plenty of matches for our youngsters to enjoy their cricket!

You should be aware from recent correspondence sent out that Andover has employed a new coach. David Taylor is a Level 2 coach who has played both Premier League cricket and T20. He has coached Premier League cricket for 6 years. He is currently providing some winter training across all age groups. This has been very well received by our members and I am confident that his addition to our team will enable us to build on previous seasons training in the coming outdoor sessions.

At our recent committee meeting we have been discussing the running of the Club. For the coming season we have an aim to reach out to local schools to not only to improve links with them but to try to build up our membership, especially in the U13 age groups and above. Please keep an eye out in your local school for posters about our training.

As with all Clubs Andover Youth Cricket must ensure that the children training and playing with us are adequately supervised. Health and Safety is very important and we must have all your child's details in case an accident should occur. I cannot emphasise enough the importance of filling in your details on line. Please log on and update your child's details.

Once again we have reviewed our signing in policy at training. From 2012 a parent/responsible adult **MUST** sign in their child and state where they will be and give a phone number for contacting. If your child is U11 a parent or responsible adult must remain at the ground during the session.

We have reviewed our pricing policy this season and have been able to keep subscriptions at the same level as last season. We will however be increasing match fees by 50p in each age group and charging £2.00 per session for all training.

I would also like to tell parents that they can become a social member of the Club for only £10.00. This will give you access to special offers on bar prices. We are aiming to hold a BBQ on a Friday possibly once a month when our U15 play matches and our U13 and U11 will be training this season. The bar will be open on these occasions!

I want to assure all parents that it is the aim of Andover Youth Cricket to ensure that all members get the opportunity to play regular cricket whatever their ability. The following selection policy, which was instigated last year, will continue to apply in the 2012 season. As you know it is very time consuming to run so many teams and particularly with bad weather it makes it very difficult to ensure that everyone plays an equal number of games.

Everyone who is selected to play must be a member of the Club. This is not only to encourage membership but also for insurance purposes.
The League teams should be selected so that all members have a number of games in the season, thereby allowing the development of all players
Cup Teams can be selected on ability in order to win
As far as possible team selection should be adapted to your opposition
All imported players **MUST** become full members and be available to play when selected and not just for special occasions

Parents are asked to assist Managers in selection. If your child is asked to play then please respond quickly. Managers cannot wait until the end of the week for a parent to say if their child is available or not.

If ever you are concerned that your child may be being overlooked please get in touch with me. Our aim is that everyone enjoys their season and comes back for more in 2013!

The Membership fee structure for 2012 is as follows

U10 Upwards

MEMBERSHIP

We will continue to use our website and all current members details are in the database. Each member (parent) has been sent a login and password that allows them to logon on and update their child's details (These are secure and cannot be seen on the website by anyone who might browse the site). This will enable the Club to ensure that all details are up to date and therefore that we can contact everyone with training sessions etc. **It is very important to us that we make sure you receive all communications.** E-mail is our primary form of contact for letters, training sessions etc as it is obviously cheaper, quicker and less time consuming and so it is important that you check your e-mail regularly and by keeping your e-mail address up to date we can ensure we reach you. If you do not have access to a computer can you please let our Secretary, Susan Dykes, know so that letters can be posted instead.

Subscriptions are now due. Please post your cheque (cheques) to SUSAN DYKES, 1 Kingsmead, Anna Valley, SP11 7PN. You will need to logon to the website and update your child's record. If you have any difficulty then please contact Susan Dykes (01264 712041).
