Youth Registration - 2022 Season

Welcome parents and players to the 2022 cricket season at Hutton Cricket Club.

We are so looking forward to a full year of cricket and socialising. We will be kicking off the season with signing on night on the **1st April** to get all of the registration formalities completed and fees paid.

The committee has frozen prices at pre pandemic levels to thank our members for their support over the difficult two years that have passed but we would ask that all fees are paid as soon as possible to get us up and running again. Please attend signing on night even if you complete the formalities online as it will get the bar off to a flying start and allow us all to catch up again.

We will continue to have strong coaches leading our sessions, assisted by our support teams. We are delighted that Cath Dalton will continue to lead the Girls and Ladies training and Cam Tredgett will lead the Boys.

Coaching Days and Times

Our coaching season will run from week commencing 18th April until week ending 21st August

We are inviting all members receiving this letter to join Hutton CC club coaching this year, including those who did Dynamo's last year.

We will continue to offer All Stars and Dynamos plus a **new, girls only session** for those new to cricket or who would prefer this option. All sessions can be signed up directly with the ECB using the links below.

All Stars (girls and boys) age 5 - 8	Thursday	5.00 – 6pm	Allstars
Dynamos (girls only) age 8 - 11	Friday	4.00 – 5pm	Girls Only Dynamos
Dynamos (girls and boys) age 8 - 11	Friday	6.30 – 8pm	Mixed Dynamos

Girls U11 – U15	Friday	5.00 – 6:30pm	
Boys U11– U13	Friday	6.30 – 8pm	
Boys U14 and up	Wednesday	6.30 – 8pm	

Please note – parents / carers are expected to remain on site for the duration of Friday coaching sessions

Competitive Matches

As usual we will enter as many competitions and leagues as possible in order to provide competitive cricket for our youth section. However, whilst subscriptions cover club membership, facilities and coaching nights – the organisation and running of matches rely on parent / carer volunteers to step forward.

If you think you may be able help, even on an occasional basis, please see the relevant section on our application form or let me know.

Registration

Please find attached this season's new registration forms which **must be completed even if you are an existing member of the club**. You will also find attached a pack which provides all relevant information for both players and parents. This can also be found on the Hutton CC website www.huttoncc.com

Finally, we would like to thank you for continuing to be a much-valued member of Hutton CC and to remind you that we welcome all feedback and suggestions for the ongoing development and improvement of our club.

Wishing you all a great season ahead.

Darren Tredgett (Please contact me if you no longer wish to receive these emails)

YOUTH POLICIES

Transport to matches and practice sessions

Hutton CC policy is that parents/guardians are responsible for transporting players to and from matches and practice sessions. The Club will not be registering private vehicles for the transportation of individuals in connection with any fixture or practice sessions. Parents/Guardians will need to arrange transportation and not simply deliver players to the club for travel to be arranged on their behalf. The implementation of this policy is not intended to exclude any player from participation and parents or carers should contact the relevant Coach/Team Manager if they have any problems with the transportation of players to matches or practice sessions.

Club Changing Policy

For players under the age of 16 in adult teams the following policy applies:

- Young Players uncomfortable with changing or showering with adults are under no obligation to do so and are advised to change and shower at home
- Parental consent must be given if Young Players are to share changing facilities with adults
- If Young Players are sharing changing facilities with adults, parents have the option to supervise them whilst they are changing. The Club will make reasonable efforts to facilitate this.

Permission for use of Photographs and recorded images

Hutton CC recognises the need to ensure the welfare and safety of all Young Players in cricket. Part of this commitment is that we will not permit photographs, video images or other images of Young Players to be taken or used without the consent of the Parent / Carer and the Young Player. Hutton CC follows the guidance issued in 'Safe Hands – Welfare of Young People in Cricket' on the use of images of Young Players which is available at <http://www.ecb.co.uk/safehands>. Hutton CC will take steps to ensure that these images are used solely for the purpose they are intended, which are the promotion and celebration of cricketing activities and the aid of coaching.

Complaints and the reporting of Safeguarding Concerns

If a player, parent/carer, or volunteer has a concern about the welfare of a child, or the conduct of another child/young person or an adult (whether they are a parent, coach, member, or otherwise), these concerns should be brought to the attention of the Club Welfare Officer without delay. The person reporting the concern is not required to decide whether abuse has occurred, but simply has a duty to pass their concerns and any relevant information to the Welfare Officer. Contact details of the Welfare Officer can be found on the club website and on the noticeboard inside the main pavilion.

ENGLAND AND WALES CRICKET BOARD

ANTI-DISCRIMINATION CODE

INTRODUCTION

The England and Wales Cricket Board (the **ECB**) is responsible for the governance of cricket in England and Wales. This ECB Anti-Discrimination Code (the **Code**) is part of the ECB's continuing efforts to maintain the integrity, diversity and inclusivity of cricket.

The ECB aims to create an environment within cricket in England and Wales in which no individual, group or organisation experiences discrimination or acts in a discriminatory manner on the basis of a Protected Characteristic (as defined in the Equality Act 2020 from time to time – which at the time of writing are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

This Code therefore sets out discriminatory behaviour which, when carried out by a participant who is required to comply with it, will be a breach of the Code and may be sanctioned accordingly.

All Participants (as defined below) agree by virtue of their involvement in cricket in England and Wales to be bound by this Code and submit to the disciplinary jurisdiction of the relevant body which applies to them.

All County Cricket Boards, First Class Counties, the National Counties, leagues, clubs and other organisations under the jurisdiction of the ECB or its Members must adopt and enforce the Code.

Participants who are party to an ECB agreement and/or in receipt of ECB funding may be obliged, as a condition of those agreements or funding, to comply with or adopt the Code and/or enforce the provisions of the Code through their own processes.

The Code may be amended from time to time by the ECB in its sole discretion, with such amendments coming into effect on the date specified by the ECB.

BREACHES UNDER THE ANTI-DISCRIMINATION CODE

Cricket Organisation means

- (a) County Cricket Boards, First Class Counties, National Counties, the Marylebone Cricket Club and other organisations under the jurisdiction of the ECB or its Members;
- (b) clubs and leagues which are affiliated to or under the jurisdiction of either the ECB or any of its Members; and
- (c) any other organisations which adopt this Code.

Participant means:

- (a) Cricket Organisations;
- (b) employees, directors, officers, committee members, contractors and volunteers, in each case, of the ECB or any Cricket Organisation;
- (c) match officials including members of the Association of Cricket Officials;

- (d) members of the ECB Coaches Association;
- (e) an individual taking part in a cricket match or event under the jurisdiction of the ECB and/or any ECB Member; and
- (f) any other individual who becomes bound by this Code.

Example

Paragraph (f) above is intended to cover other individuals which a cricket organisation chooses to have bound by the Code. For example, a cricket venue may require spectators to abide by the Code by making it a provision of the ticket terms and conditions which a spectator agrees to.

1. It will be a breach of this Code for any Participant to:

- 1.1. act in any manner, make any omission, or engage in any conduct, which does, or is likely to, offend, insult, humiliate, intimidate, threaten, disparage and/or vilify any person or group of people (acting reasonably), based on, or by reference to, any Protected Characteristic; and/or
- 1.2. make any decision or any omission or do anything which might reasonably be deemed to discriminate against any person, or group of people, or to disadvantage that individual or group based on any Protected Characteristic unless permitted by law; and/or

in instances where the Participant is an organisation

- 1.3. fail to provide an effective, timely and proportionate response to an alleged breach under paragraphs 1.1 and/or 1.2 above, carried out by any individual or organisation under the jurisdiction of the Participant.
- 2. The breaches referenced in paragraph 1 shall apply regardless of whether the Protected Characteristic(s) around which the breach is based applies to the person or people to whom the offending conduct is directed.

Example

If a player makes a homophobic comment directed at another player during a match, regardless of whether that other player belongs to the group referred to, this would amount to a breach of the Anti-Discrimination Code.

- 3. Any breach of this Code may also constitute an offence or breach of other applicable laws, rules and/or regulations. This Code is intended to supplement such other laws, rules and regulations and is not intended, and may not be interpreted, construed or applied, to prejudice or undermine in any way the application of such other laws, rules and/or regulations. Participants therefore acknowledge and agree that this Code does not limit their responsibilities or obligations under other laws, rules and/or regulations.
