### **Transport to Matches And Practice Sessions**

Hutton CC policy is that parents/guardians are responsible for transporting players to and from matches and practice sessions. The Club will not be registering private vehicles for the transportation of individuals in connection with any fixture or practice sessions. Parents/Guardians will need to arrange transportation and not simply deliver players to the club for travel to be arranged on their behalf. The implementation of this policy is not intended to exclude any player from participation and parents or carers should contact the relevant Coach/Team Manager if they have any problems with the transportation of players to matches or practice sessions.
