

Friday Evening friendly Internal league

As the 2025 Bowls season gets underway and the evenings get longer, we are now looking to make the most of our traditional Friday evening social get togethers.

For several years, we have had a Two-Wood Triples mini-league. Last season we trialled an Aussie pairs league consisting of teams of 4 players alternating between themselves to turn out a playing pair each week which worked out quite well and the consensus is that we should continue with something similar this year starting around June and ending sometime in August. This will be dependent on the numbers and format to be arranged; Therefore, I would like to compile a list of interested parties so we can work out a format and league table.

The games will be limited to 12 Ends dependent on weather and light. Other game formats will be considered dependant on the number of participants

Be part of the fun and register your interest via the external notice board you don't have to commit to every week due to the format so holidays and other commitments can be worked around

Suggested start dates Friday 6th / 13th June End Late August This will hopefully allow teams to play each other twice on a round robin home & away basis provisional start time from 6:00/6:30pm

Any suggestions are welcome but the sooner I can compile a list of interested parties the sooner we can finalise a format.

For those of you who do not wish to participate please still come along for support and have a drink from the bar!!

Please register your interest via the external notice board

Partnered pairs will be kept together, pairs will be drawn to make up a team of four players individual names will be drawn to make up remaining pairs, subject to the number of names teams may consist of 3,4,5 players last date of registration Sunday 1st June (01/06/2025)
