Rink Booking System

To book a SLOT (rink) from our web-site

You will be presented with the rules as below for booking a rink, which I will summarise.

Note :

You aren't booking a rink, you are booking a "slot" which will be from 1 to 6.

The slot you get to play on will be subject to the Hierarchy, so when you book, you need to select the type of game you are playing.

The list is in priority order, so if you are booking a Roll-up it is the lowest priority. But rinks are generally available at all times.

Go to the bottom of the rules and click on [Click Here to Book a Slot](#)

RINK BOOKING official Guidelines

Please Note: You are booking a slot on the green – You cannot book a particular rink.

Choose Slots – Next available rink starting at 1 – If there are none available and it is for an important match (high on the hierarchy), please contact rink admin.

Please do not book more rinks than you need to play on

Game Name – the game Hierarchy – select from the drop-down list. - National, County, League, External Competition, Friendly Match, Internal Competition & Roll-up(Practice)

Additional Information – This should be used to describe the match format or name. (Singles, Pairs, Triples, Rinks etc.)

Opposition – The name and club (if not internal) of the opposition

Above is a diagram showing the order of priority for rink choice by competition type.

Additional Notes

Due to rules governing date arrangements for National and County Competitions, it may occasionally be necessary for the Rink Administrator or Club Captain to ask for a booking to be withdrawn & rearranged.

On Tuesday mornings and Friday Evening, 2 rinks may be available for external competitions at the Club Captain's discretion in exceptional circumstances

Internal Comps should not be played on a Tuesday morning or Friday Evening without the Captain's permission

When everyone has turned up for a session they have booked, the person who has the highest priority will get first choice of rink, and then so on down the list.

Rink Booking System

For example, a county game will have priority over a club competition. If there are two or more people with the same priority, then they will toss a coin or draw lots to get first choice. We have trialled this a few times and it worked.

Fixed Date Events

Friendly games, Club days, Invitation triples, League games, Finals days etc are all booked in advance on the booking system. These are fixed matches and not changeable. If there is a spare slot then you can book it but otherwise, please avoid them.

The same goes for Tuesday club morning and Friday Night. We have one or two rinks booked for coaching each week plus two or three for practise. Please avoid.

Any issue with rink booking can be addressed to the club captain or rink administrator.
