

Ashtead Bowls Club Dress Code when Bowling

CLUB Matches including Leagues and Competitions

When you represent Ashtead Bowls Club in matches in Leagues, competitions or friendlies the dress code will be 'Club Colours' which means Club Shirts plus Dark Navy blue 'lower half' which includes shorts, trousers and skirts.

The Club Fixture Booklet has annotations for the required dress for matches. This listing will take account of dress codes which may be specified by organising bodies for Club Leagues and competitions. If no direction is given the default would be to wear Club Colours.

For other occasions when members of the Club enter external competitions sponsored by Bowls Surrey, Sutton & District BA, North Downs League and the like, then 'Club Colours' is the default dress code unless members are given guidance by the sponsoring organisation.

If needed formal bowls style top/waterproofs are acceptable.

Individual Competitions

Depending on the ruling body organising the competitions then there may be definition for what clothing is expect. For example, if the competitions are in the 'early rounds' or in the evenings then Club Colours is likely the choice. In later rounds or in Finals then 'whites' may be required.

Other representative matches may have clothing requirements. Please check relevant competition rules and /or guidance.

Club Evenings, Rollups and Personal Practice
