Yes sadly Arthur Brown has called it a day and retired from regular playing for Arkley after nearly 30 years with the club. Sadly too, the game which was to have been Arthur's farewell performance (v. British Rail Hatfield at Birchwood) was cancelled due to heavy rain, a fate also suffered by Bill Radwell of Northmet when his farewell game (v. Manor Drive Methodists at Woodcroft) was rained off.

As opening bat and wicketkeeper Arthur has performed many notable feats on the pitch (unfortunately I only have figures since 1967 and so can not give you a full playing record) and off the pitch Arthur has done much to keep the club running smoothly including being van driver in Cornwall in 1973 and at present a most efficient chairman. We look forward to Arthur making occasional appearances for us. (I'll be taking a statistical look at Arthur next month)

He has run the club ever since and on Saturday received an engraved silver plate from his team-mates to mark his retirement as a player. His wife, Margaret, has given valuable service on the catering side.

of them. He was wicketkeeper and year set a club 18 stumpings in one. Bill and Arthur hope to play one game in the future. In any case their clubs are not losing them altogether.

SINGLE WICKET COMPETITION 1975 (Cont'd)

Final (3 x 6 ball overs)

P.Brown 1....3/3611.2/111..1 not out 21 (18 Balls)
 C.Townsend .24W caught A.Johnson 6 (4 Balls)

Due to slow progress through the rounds the final had to be shortened from the proposed 5 six ball overs to 3 six ball overs as it was getting dark and the park keeper wanted to lock the park up.

In winning Peter Brown scored 53 runs off 48 balls, 27 of which he scored off (18 x 1, 1 x 2, 3 x 3, 3 x 4, 2 x 6) leaving 21 that he didn't score off. Peter bowled 31 balls for 22 runs taking the wickets of 2 of his 3 opponents (1 caught, 1 caught & bowled) and had the other one run out.

In all 353 balls were bowled (and 3 wides) off which 488 runs were scored. 230 of the 353 balls were not scored off including 11 wickets (3 bowled, 6 caught, 1 stumped and 1 run out.) plus 3 run outs from balls that were also scored off. The fastest scoring rate during the competition was by John Griffiths who hit 49 off 18 balls v. Colin Johnson in the second round.

After pulling a leg muscle in his first round match against Brian Andrews, Sharma had the services of Clive Townsend as a runner throughout the rest of the competition.

RUNS SCORED IN THE COMPETITION WERE AS FOLLOWS;

FOR THE RECORD.FOR THE RECORD.FOR THE RECORD.FOR THE RECORD.FOR THE RECORD.

Paul Townsend played his 100th game for Arkley and scored his 50th run of the season.* Clive Townsend scored his 10th six.* Colin Cummings scored his highest score for Arkley, in four innings.* After this match Brian Andrews wins at least a share in the wooden spoon for the most number of ducks this season.* Thanks to Martin and Roy (demon bowler) Watts of Roving Reporters for playing for us in this game and also to Colin Cummings.* Congratulations to John Griffiths for yet again turning out a full team despite the many non availabilities due mainly to the Gillette Cup Final and thanks to all those who made themselves available especially Peter Tait who had a lot of work to do at the time. Peter was also unfortunately injured while fielding (colliding with Bob Ingram as he caught G.Evans) and was not able to bat.

ERRATA; D.Davidson of Potters Bar Crusaders has had 6 innings against Arkley, not 5 as stated on page 3 of the August edition of the 'Herald'. Last months 'Herald' was No. 8 Series 4, not No. 7 Series 4. as stated.

BIRTHDAYS for October are as follows; Helen Ingram(7th), Tony Booth(23rd), Colin Cummings(24th), Brian Andrews(27th). HAPPY BIRTHDAY

FOR THE RECORD.FOR THE RECORD.FOR THE RECORD.FOR THE RECORD.FOR THE RECORD.

Mark Cripps hit the first ball of the match for four, his 150th for the club.* Peter Brown scored his highest score for Arkley, his 100th Arkley four, his 124th run v. Crosskeys this year (59 + 65) and his 500th run of the season.* Mark Cripps scored his 300th run of the season, Bob Ingram his 250th and Brian Andrews his 150th.* Bob Ingram scored his highest score for Arkley, his six over the covers, and the highest recorded score for an Arkley number ten batsman (after opening last week!)* The tenth wicket stand of 31 between Bob Ingram and Colin Brown equalled the eclectic record (since 1967) of 31 by J.Griffiths (13) and T.Owen (8n.o.) v. Bugle on 11th July 1970.* Brian Andrews scored his 900th Arkley run (expect his 1000th about 1999 Ed.)* This was Arkley's highest score batting first to lose (previously 152-4dec)* Roger Jones (on loan from Roving Reporters) played his second game for Arkley, 3 years and 10 days after his first.* P.Berry took 43 mins to get off the mark.* L.Webb hit his six into the garden of a house in Falkland Avenue via the back wall of the house!* Paul Townsend bowled his 50th Arkley over.* The match total of 339 runs was 4 short of being a record (343 v. W.A.R.B.L. on 31st August 1975 just two weeks ago.)

Fixture No. 34. British Rail Hatfield v. Arkley
at Birchwood on Sunday 14th September 1975
MATCH CANCELLED - RAIN since 6.30pm previous evening.

Team; A.G.Brown*/**, A.F.Johnson, R.N.Ingram, J.E.Griffiths, P.Townsend,

Indoor Nets this close season will be from Thursday 9th October 1975 to Thursday 29th April 1976 not including Christmas day and New Years day which both fall on a Thursday. The times will be between 8 and 9pm as usual but the charge will be going up 5p to 30p to cover the rise in hire charges. Still good value though!

A quick look at the statistics I have worked on so far reveal that; Of Mark Cripps twenty wickets eighteen were bowled and two were lbw, Mark also made double figures in all of his 10 innings this year, Bob Ingram bowled in every match and failed to take wickets in just two.

Mike Farrell who scored 50 in 25 minutes (off 28 balls) against us earlier this year has parted company with Manor Drive Methodists not on the best of terms. We hear also that Terry Broome has rejoined Manor Drive who intend to drop the word Methodists from their title as from next season.

John Griffiths, Clive Townsend and Bob Ingram played for Roving Reporters against Pretenders at Barnet Playing Fields on Sunday 7th September. John scored 33, Bob 14 as well as taking 4 for 29 and Clive would prefer that I didn't tell you how many he ~~didn't~~ scored. R.R's lost.

John Griffiths, Clive Townsend, Bob Ingram, Peter Brown and Brian Andrews played for a Roger Jones XI v. Northmet at Woodcroft on Thursday 18th September. John scored 2, Clive 11, Bob 0 (nil, zero, nothing, not a sausage, buggar all!), Peter 15 and Brian 14. Bob's bowling figures were 15-3-38-0 but to make up for this Clive Townsend made three stumpings. The rest of the Roger Jones XI was R.Jones, M.Symonds, J.Blackburn, M.Watts, M.Lack and D.Dickinson thus it was a joint Roving Reporters, Manor Drive Methodists, Arkley team, eight of whom have played for Arkley at least once and seven who had played for Arkley this year. Four of the Northmet team had also played for Arkley before (K.King, W.Radwell, P.Painter and R.Argent (W.A.R.B.L.) Northmet won the game by 20 runs, details below.

'Barnet Press'.

Peter Brown and Brian Andrews both had the distinction(?) of being caught by ex Spurs and England footballer George Robb whilst playing for Old Fincunians v. Lindfield in Sussex on Sunday, September 21st. Modesty restricts me from printing our scores in this match but we amassed the grand total of 2 (two) runs between us. Old Finc's lost.

The Treasury now stands at £64-07 after paying £42 for the hire of the indoor nets during the winter. I shall print full details next month when I have gathered in everyones annual subs (for 1975). However Match Fees realised £48-90, Duck Club £2-65 (chief contributor, yours truly 35p) and the Tea Profit amounted to £18-30 so thanks to all those who have done teas this year (listed on page 10).

Due to the dull weather at the game v. Crosskeys (Fixture 33) and the cancellation of the game v. British Rail Hatfield (Fixture 34) no team photograph was taken this year. However there is rumour that ace camera-man Bob Ingram under his new pseudonym of Hyrem V. Cheap will be taking more films at the nets this winter and is under contract from Boreham Stiff Studios to show any such film to any unsuspecting passer by.

Harrow Cavaliers won the Embassy Cup. (Information from Tony Booth)

CLOSE SEASON EVENTS

PRESENTATION EVENING for the presentation of the Ted Lloyd Trophy for services to the club, the Single Wicket Tankard, the Wooden Spoon for most ducks and several other less serious awards. This will be held in October or November. The A.G.M. will be in January and both these events will probably be held at the 'King George'. As mentioned on page seven NETS will go on throughout the winter on Thursdays from 8 to 9pm at the Hertfordshire Indoor Cricket School, Hatfield Polytechnic. The 'Arkley Herald' will continue to come to you every month but probably much shorter editions (oh joy!) and I hope to complete the full statistics for 1975 by about Christmas* time.

*Christmas this year should be about the 25th December I think.

More details about these *exciting* events when they become known but meanwhile I'll leave you with a very silly page indeed while I go away to think up some new excuses for scoring ducks for next year.

P.S. I almost forgot to mention the Jumble Sale, in fact I did forget to mention the jumble sale but luckily I've just remembered in the nick of t:

SILLY PAGE!

Is it true that when I asked Colin Johnson if he wanted a book for his birthday he replied, "No thanks, I've already got one."?

Who else but Mart Symonds could come up with the idea that if we wished to play regular midweek cricket next year we should get a doctor in the team so as he could sign our sick certificates with no questions asked!

Is it true that when your editor went to give blood recently they could only get neat coke out?

Is it true that when the registrar said to Bob Ingram 'Do you take this woman to be your lawfully wedded wife?' Ingram replied 'A verbal contract is not worth the paper it is written on'?

Clive Norman (our guest at the home match v. Watford Taverners and yet another member of the Manorhill Mob) has come up with an incredibly simple way of us improving our playing record next season, CHEAT!

A local paper in Kent had this to say on its film page about a film in town that week. 'An exciting adventure of ten men's struggle for survival in the dessert.' !

Is it true that Colin Brown failed his trial as a bingo caller due to several unfortunate mistakes? E.g. All the fives, thirty four; Two fat ladies, seventy two; Six and three, nine!

Is it true that Peter Amass is thinking of sending his recipe for fairy cakes to Jimmy Young?

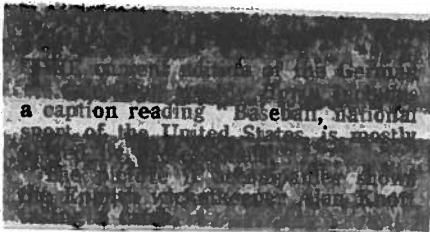

It is true that your editor used the club tea pots to catch water dripping through the ceiling of his ~~office/bedroom~~ playroom after torrential rain on Saturday 27th September. The room is situated in the loft.

Definition of Cricket; 22 grown men taking a hell of a long time knocking down a small fence!

In the match between between Wellington Under-16 and Eton Under-16 at Wellington Eton had reached 44 for 1 when their Nos 8,9,10 and 11 decided to pay a visit to the school shop. Unfortunately for them five wickets fell in quick succession and they were 47 for 6 with no-one to come in! The umpires agreed to 'clock' the batsmen out in two-minute intervals and 3½ minutes passed before the next Etonian breathlessly arrived at the crease. So one batsman was out.

THE CRICKETER INTERNATIONAL in which this appeared pointed out that the Eton innings should have been deemed ended after two minutes had elapsed.

ANOTHER VIEW OF CRICKET

Cricket terrifies me - in fact I don't know why I play the stupid game at all. It takes up too much time, it's often very dangerous, it has nearly caused the end of my marriage on several occasions, and it costs an absolute fortune in the pub afterwards. We spend all winter rhapsodising about the 'summer game', and then the lunatic fringe pretend that winter never comes and continue playing in the lethal indoor nets. We oil our bats, press our flannels and convince ourselves that this season is going to be 'The One'. And then what happens when the moment of truth comes.
