### Safeguarding Policy Statement

South Hampstead Cricket Club is committed to ensuring all Children (i.e all persons under the age of 18) participating in cricket have a safe and positive experience and this policy must be adhered to by everyone working for SHCC whether paid or as a volunteer. We have a duty of care to safeguard them and protect them from reasonably foreseeable forms of harm or abuse, including physical, emotional and sexual abuse and neglect.

#### We will do this by:

- Recognising all children participating in cricket (regardless of age, gender, race, religion, sexual orientation, ability or disability) have the right to have fun and be protected from harm in a safe environment
- Ensuring individuals working within cricket at, or for, our club provide a welcoming, safe, and fun experience for children• Adopting and implementing the England and Wales Cricket Board (ECB) “Safe Hands – Cricket’s Policy for Safeguarding Children” and any future versions of this
- Appointing a Club Welfare Officer (**Zafar Shaikh**) and ensuring they attend all current and future training modules required by the ECB
- Ensuring all people who work in cricket at, or for, our club (such as staff, officials, volunteers, team managers, coaches and so on) have a responsibility for safeguarding children, and understand how the “Safe Hands Policy” applies to them
- Ensuring all individuals working within cricket at, or for, the club are recruited and appointed in accordance with ECB guidelines and relevant legislation
- Ensuring all individuals working within cricket at, or for, the club are provided with support, through education and training, so they are aware of, and can adhere to, good practice and Code of Conduct guidelines defined by the ECB, and South Hampstead Cricket Club
- Ensuring the name and contact details of the Club Welfare Officer are available:
  - As the first point of contact for parents, children and volunteers/staff within the club
  - As a local source of procedural advice for the club, its committee and members
  - As the main point of contact within the club for the ECB County Welfare Officer and the ECB Safeguarding Team
  - As the main point of contact within the club for relevant external agencies in connection with child safeguarding
- Ensuring correct and comprehensive reporting procedures exist for raising and managing child safeguarding concerns.
- Providing an environment where the views of children, parents and volunteers are sought and welcomed on a range of issues. This will help us create an environment where people have the opportunity to voice any concerns (about possible suspected child abuse/neglect, and/or about poor practice) to the Club Welfare Officer \*
