## Notes:

Statistics are dependent on score sheet accuracy and details being entered correctly
Includes the career records for BOCC playing members in good standing in the season(s) they participated. BOCC has had a number of guests
and alumni play in teams over the years. Records for guest players or members not in good standing during a particular season are not included.

Intraclub games are not counted for purposes of recording statistics nor are games such as those that are played indoors.
Minimum 20 over games for statistics to be included (unless reduced by weather) although PICF games for many years were not included as part of the
statistics because of their short duration

2020* - Restricted season due to COVID 19 pandemic
