1) Putting things in place

- We recognise all children participating in cricket (regardless of age, gender, race, religion, sexual orientation, ability, or disability) have the right to have fun and be protected from harm, in a safe environment.
- We ensure individuals working within cricket at, or for, our club provide a welcoming, safe, and fun experience for children.
- We provide an environment where the views of children, parents and volunteers are sought and are welcome on a range of issues. This will help us create an environment where people have the opportunity to voice any concerns (about suspected child abuse/neglect and/or about poor practice) to the Club Safeguarding Officer.
- We adopt and implement the England and Wales Cricket Board (ECB) "Safe Hands – Cricket's Policy for Safeguarding Children."
- We ensure all individuals working within cricket at, or for, the club are recruited and appointed in accordance with ECB guidelines and relevant legislation.
