WELCOME TO HARPENDEN CRICKET CLUB

Harpenden CC is renowned for its friendly atmosphere, excellent cricket of all standards, and its great social scene – there is probably no better setting on a summer's day to enjoy playing (or watching) cricket on the common – the focal point of Harpenden.

Of our 750 members 200 are under 16 and 60 are junior girl players. Our current age range in the senior teams is 12 to 72+! We welcome new social members, senior players of all standards, and boys and girls of all ages.
