# Women and girls cricket

The women and girls section is growing rapidly with the Berkhamsted women's team being the only Hertfordshire team competing in the highest level of the home counties women's cricket league in the 2024 season.

The women's team is constantly improving as the strong contingent of juniors continue to graduate into the team.

Several banner opportunities for 2024 and 2025 seasons

Place a sponsorship banner at the back of the nets which are used very frequently throughout the summer by all.

Place your logo on the back of the clubhouse (which is used all year), visible to all when parking and arriving at the club.

Have your logo on the back of the big white sight screen at the pavilion side, visible to all through the summer, especially during fixtures.

Unfortunately seen more than we would like, the mobile covers are used throughout the season to protect the wicket from the rain. Your logo on the covers will be visible to all as they enter the ground where the covers are stored by the nets and then when in use on the main square throughout those rain effected fixtures.
