Why Sponsor us?

Junior Section

We are incredibly proud of our junior section. This year, we've raised our ranks to over 75 children as well as running the ECB's 'All Stars' program which saw 60 young children enjoy their first tastes of cricket at our fantastic ground. We currently field under 9's, 11's, 13's and 15's mixed teams as well as under 11's and 13's girls' sides. As our numbers grow, we are looking to improve our equipment and training facilities; your sponsorship will help us with this!

Social Events

We are always happy to welcome new people to our club. This year, we are planning to host an array of events from live music, childrens' events, food vendors, family events and much more! We also have games of cricket to spectate throughout the summer. Visit our social media to stay up to date and receive priority tickets.

THE GREAT ESCAPE
INDIE / ROCK / BRITPOP

One of our acts from last year. We are aiming to increase our social events in 2025

We are thrilled to be growing our girls' section. This picture shows our under 11 girls (sponsored by A.G.H Engineering) winning the inaugural Consett Cricket Club Girls' Festival.

The sponsorship boards look fantastic around the ground. We have some of the best views in the region which makes for fantastic promotional photographs.

Help us grow

We've recently completed major ground improvements including a roof repair and an update to the front of our club. Without our sponsors, this would be impossible.

Thank you to all of our current sponsors including our 2 kit sponsors Movin Legal and Geoffrey Robinson Ltd.
