## Welcome to a new season at YMCA Cricket Club.

YMCACC youth cricket is based on the principles of inclusion and support – anyone who is interested in starting to play cricket is very welcome to come and try out and in all YMCACC teams, all players are given game time and are supported and encouraged by their teammates.

2017 was a great season for the YMCACC youth section, with the Boys winning trophies at U13 and U15 levels and the Girls at U11 and U13 levels. This would not have happened without the help of parents and coaches, in particular our **Head Coach Kamal Merchant**, nominated for Cricket Ireland's Coach of the Year.

Looking forward to 2018, Cricket Leinster have introduced new categories for youth competitions this season. These changes are aimed at making the game more participative at the younger ages and more attractive to new entrants to the sport. The main changes are for boys and girls in primary school or in 1<sup>st</sup>/2<sup>nd</sup> year of secondary school – they will now play according to their school year rather than their age.

We are really looking forward to another season of youth cricket at YMCACC – please come and join us!
